Help turn hunger into hope.

Recology[™] SOUTH VALLEY

Formally

South Valley Disposal & Recycling, Inc.

Hopes you will join in our curbside
food drive that benefits
families in need.

All non-perishable food items are truly appreciated.

These items are always in short supply: canned meat & fish •
powdered milk • 100% fruit juice • hot & cold cereal •
meals in a can • pasta & meat sauce • canned soup & stew

Place nonperishable food items into bags clearly marked
“**Food Drive**” (If raining, use plastic bags.) • Place food next
to the curb on your regularly scheduled garbage
collection day, during the week of December 7th through
December 11th • A South Valley truck will pick up your
donation and deliver it for distribution to Second Harvest
Food Bank.

Local agencies are directly benefitted.

We've changed our name!

In keeping with our company's long history of dedication to the environment, we have changed our name to **Recology South Valley**.

Recology, with clear roots in words like recycling, renewal, reuse, and reduction, signals that our company will be leading the evolution of the waste industry. This is a name change only and does not affect our organizational structure or our ownership—we are still 100% employee owned.
